

Real-world perspectives. Relevant solutions.

Curi's physician-founded and focused approach is on the pulse of evolving needs for physicians and administrators in practice management. With an unwavering commitment to serving you, we use real-world perspectives to deliver relevant risk solutions—but we don't stop there. We also offer value-added benefits that support and grow your practice.

- **The Legacy Fund:** Member noninterest-bearing savings accounts for certain policies that grow tax-deferred and pay out upon designated events, including retirement
- **Member Dividends:** Annual cash payments to qualifying physicians and practices
- **Broad Regulatory Coverage:** Additional regulatory and compliance protections included in your coverage
- **Risk Solutions:** Access to seasoned risk advisors and industry-leading resources, including self-guided risk assessments, toolkits, and CME-eligible webinars that allow physicians to earn *AMA PRA Category 1 Credits™*
- **HR On-Call:** Unlimited access to human resources guidance from experienced HR professionals with Catapult
- **Open Payments Reporting:** Enhanced access and reporting on federal Open Payments data
- **Exclusion List Monitoring:** Monthly tracking of providers, employees, and vendors against federal and state exclusion lists
- **Litigation Education:** Demystify the litigation process with education and resources.
- **Policy Management Portal:** View policy information, generate COI, obtain copies of policy documents, update contact information, manage payments, and more.
