

EDUCATION & RESOURCES TO SUPPORT YOU

# Demystify the litigation process

Navigating litigation can be challenging and stressful, but Curi is here to help. From blogs and videos to downloadable guides, our program breaks down the entire litigation process, including the roles of key professionals, depositions, mediation, trials, and more.

Through our partnership with Dr. Gita Pensa, creator of the podcast “Doctors and Litigation: The ‘L’ Word,” we are also offering our clients a CME video series. Dr. Pensa’s expert insights further support you with actionable advice and stress-reducing strategies.

We invite you to use these resources to stay informed and empowered.
