

Policyholder Services Member Guide

How to Register and Sign into PHS

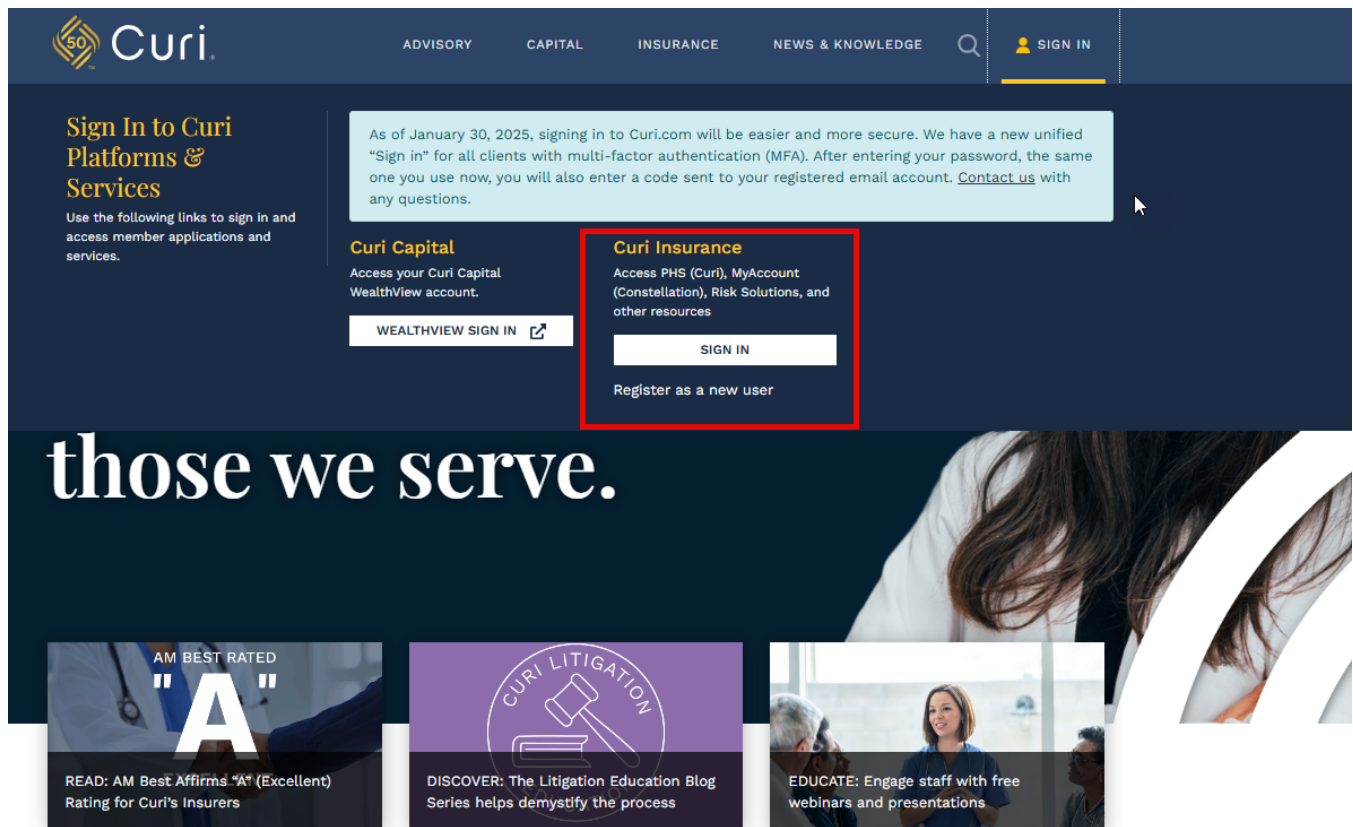

Policyholder Services (PHS) allows providers and authorized practice representatives to manage many aspects of their accounts online, including applications, certificates of insurance, and Legacy Fund balances.

Register/Sign In to PHS

If you are new to the Curi site, you will need to register.

In the Curi Insurance box, click **Register as a new user**.

If you already have an account, sign in with your email address and password.

The screenshot shows the Curi Insurance website header with navigation links: ADVISORY, CAPITAL, INSURANCE, NEWS & KNOWLEDGE, and a search icon. A 'SIGN IN' button is highlighted in the top right. Below the header, a light blue banner contains a message about a new unified 'Sign in' process for all clients with multi-factor authentication (MFA) starting January 30, 2025. Below this banner, there are two main sections: 'Curi Capital' and 'Curi Insurance'. The 'Curi Insurance' section is highlighted with a red box and contains a 'SIGN IN' button and a link to 'Register as a new user'. Below the main content area, there is a large white text overlay that reads 'those we serve.' and three featured content cards: 'AM BEST RATED' with a large 'A' rating, 'DISCOVER: The Litigation Education Blog Series helps demystify the process', and 'EDUCATE: Engage staff with free webinars and presentations'.

Select the appropriate registration link under the Medical Mutual Insurance Company of North Carolina tab based on your role within the practice, i.e., **Provider, Practice Administrator, or Authorized Staff Member.**

Note: Brokers cannot self-register for a login at this time. If you are an employee of one of Curi's broker partners and in need of a login, please reach out to our Agent Support team at agentsupport@curi.com to request a login.

Register with Curi
