

With broad national reach, deep localized knowledge, and standout personal care, Curi is dedicated to both good medical defense and business offense. We offer medical professional liability (“MPL”) insurance across the full continuum of care within the healthcare industry. We’ve outlined some helpful information below; however, if you have questions, please refer to our Underwriting Criteria or contact your Curi Broker Partnership representative.

Hospitals

Clients: Hospitals and Health Systems

Classifications:

- Acute Care/Hospitals and Health Systems
- Extended Care, Skilled Care, Personal Care (when written in conjunction with an acute care hospital)
