

With broad national reach, deep localized knowledge, and standout personal care, Curi is dedicated to both good medical defense and business offense. We offer medical professional liability (“MPL”) insurance across the full continuum of care within the healthcare industry. We’ve outlined some helpful information below; however, if you have questions, please refer to our Underwriting Criteria or contact your Curi Broker Partnership representative.

Senior Living

Clients: Senior Living

Classifications:

- Sub-Acute Care/Rehabilitation
- Skilled Care/Long Term Care
- Intermediate Care/Memory Care
- Assisted Living
- Independent Living

Bed Classifications within the Healthcare System:

- Rehabilitation Care Beds
- Extended Care
- Skilled Care
- Personal Care
- Independent Living Beds

Restricted Classifications:

- Rehabilitation facilities providing detoxification services
- Overnight care involving adolescents (age 21 and under)
- Group homes
- Developmentally disabled, mental health, and/or traumatic brain injury (TBI) facilities

Minimum Qualifications:

- The applicant must be licensed for a minimum of 25 beds (or 25 residential units). Accounts with fewer beds will not meet our minimum premium threshold.
- The primary 1M/3M minimum premium is \$10,000.
- The excess minimum premium is \$5,000 per layer. This applies in addition to the primary minimum premium.
