CURI
Senior Living Resource Center

Welcome to the Curi Senior Living Resource Center!

Please share this with your Administrator/Executive Director, Director of Nursing/Resident Care Coordinator, and anyone else on your team who could benefit.

The Resource Center is an online destination with tools to help manage risk in the senior living setting, including sample policies, checklists, and regulatory guidance you can put to use right away. Many tools are user-friendly Word documents ready to download, customize, and use within your organization immediately.

WHAT YOU WILL FIND

- Sample clinical policies and procedures
- Best practice guidelines
- Assessment forms and checklists
- Emergency management resources
- Survey guidelines

PLATFORM FEATURES

- Unlimited user access within a community
- 1,000+ resource documents and tools
- Informational emails on key risk topics with links directly to resources

REGISTER TODAY
